

S152

Pressure Sensor Differential Pressure Switch

Primary Application:
Differential Pressure Switch for Strainers and Filters

Standard Construction:
0.25 IN (6) NPT Connection to Pipe
Aluminum Body
Quick Disconnect Cable

Field Adjustable Set Point
NO-NC Output
Rated 120 VAC / 24 VDC 0.25 AMP

Part Number	Description
S152.0713	Differential Pressure Switch Adjust 7-13 PSI Range
S152.1325	Differential Pressure Switch Adjust 13-25 PSI Range
